Alcohol: 13%

HARVEST

Manual selection of grapes, harvested from September, the 20th to Sept. the 30rd in old vineyards of Ancarano and Controguerra with optimal exposure and medium-low yield. The terroir gives the grapes the best thermal excursions that, together with organic techniques of cultivation, enhances the typical flavours of Pecorino grapes.

FLAVOUR

Fresh and rich in minerality and persistence. Lovely with fish and fresh or medium-aged cheese.
